 **CAUTION:** External Email

To Randall Crist and the City of Yuma,
We are submitting this permit as our [basketball games](#) and [volleyball games](#) are close to the 50 person limit with just players, coaches, and staff. With men's and women's games playing consecutively, we would like to submit this application in hope that we can accommodate when the number fluctuates (a women's team watches their men's team play before getting on the same bus to return to their school).
Please let me know if there is anything else I need to include.
Thank you,

Tim Slack
